

This CDROM contains a pre-built index which may be searched using Adobe Acrobat Reader. The following icons appear in the tool bar at the top of the Acrobat Reader window. You can click on them in the tool bar, or click them below to activate the search functions.

Start the search engine and prompt for a search string.

Show the list of results from the previous search.

Jump to the previous search hit in the list of results.

Jump to the next search hit in the list of results.

Search for a word only in the current document. It does not search the index of all documents.
