Workshops & Conferences

IMAACA2005

*Integrated Modeling & Analysis
in Applied Control & Automation*

HMS2005

*Harbour, Maritime & Multimodal
Logistics M&S*

CSM2005

*Conceptual
Modeling and Simulation*

Deadlines and Requirements: Please submit fulls paper and extended abstracts in PDF format by email to i3m@itim.unige.it. Accepted papers, after full review by three members of the IPC will be published in the Conference Proceedings. The best papers will be considered for publication in special issues on Simulation Journals. For any questions about the conference please contact massei@itim.unige.it.

The 17th European Simulation Symposium and Exhibition will take place in Marseille, France. This year the Conference will be co-located with I3M, attracting an even larger world simulation community thanks to the new co-operation between SCS Europe and I_M_CS, two major SCS Simulation Councils. Based on the last year figures over 200 speakers are expected to present new advances in Modelling and Simulation in Marseille.

Deadlines and Requirements: During review, the **submitted full papers** can be accepted by the Program Committee, as an **extended (10 page, 2 column) paper** or as a **regular (6 page, 2 column) paper**. Each full paper submission will be reviewed by at least three members of the IPC; Participants may also submit a **3 page abstract for a regular (6 page, 2 column) paper**. Each extended abstract submission will be reviewed by at least 2 referees of the International Program Committee; please send the submissions to ess2005@scs-europe.net or to claudia.frydman@isis.org
